

# LOGIC PUZZLE: WHO LEARNED WHAT?

The Tuttle family wants to be more prepared for a disaster and help strengthen their community. Each family member took a different class to learn a new skill. The classes are on different days, starting on Wednesday.

Use the clues below to determine who took which class on which day.

		Class				Day			
		Canning	Cooking	First Aid	Clean Water	Wednesday	Thursday	Friday	Saturday
Person	Emily								
	Ethan								
	Mrs. Tuttle								
	Mr. Tuttle								
Day	Wednesday								
	Thursday								
	Friday								
	Saturday								

1. Ethan was excited to learn how to cook without electricity.
2. The person who learned how to can food had their class on Saturday.
3. The person who took a first aid class didn't have class on Friday.
4. Emily's class was earlier in the week than the clean water class, but later in the week than Ethan's class.
5. Mr. Tuttle had to wait until Saturday for his class.
6. Mrs. Tuttle's class was on Friday.
